

Time to Make a Turkey!

You will need scissors, glue and something to color with!

Instructions:

1. Trace your hand in the space above, color it BROWN, then cut it out.
2. Color the feathers autumn colors like RED, ORANGE and YELLOW.
3. Color the turkeys wattle RED.
4. Cut out the feathers and wattle.
5. Glue one feather on top of each finger.
6. Glue the wattle to the thumb.
7. Draw a face on your turkey and you are all done!

Did You Know?

The red thing that hangs from a male turkeys neck is called a wattle.
